

St. Charles Country Club

In early August we were able to once again attend and be a beneficiary of the St. Charles Country Club All Club Charity Classic. This event overwhelmed and moved us deeply. On behalf of the staff, board of directors and the patients we serve, we wholeheartedly thank you.

The extraordinary committee!

A foursome enjoying the day!

Amazing members, Sue McDowell, our incredible Chairperson and Phil Hildebrandt, the wonderful Emcee!

HOW DO YOUR DONATIONS HELP?

Tri City Health Partnership is a 501 (c) 3 nonprofit organization that provides free healthcare services to low income residents of the community who are underinsured or uninsured. Your donation of time, skills, dollars and supplies enables us to provide needed medical care to our community's uninsured and low-income who cannot afford to pay for services. We have enclosed a donation envelope in the hope that you will consider contributing to our mission. Every dollar donated enables TCHP to provide approximately \$20.00 in medical and dental care.

Do you want to help TCHP save money?

Sign up for our E-Newsletter! We are looking for email contact information so we can send the newsletter electronically to save print costs and help the environment! Please visit our website contact page, and fill out the short form. Thank you!

Press play and share!

The board of directors and staff are committed to spread the word about TCHP and you can help! A new promotional video highlighting our donors and volunteers is on our website and social media pages.

Are you a fan of our Facebook page? If so, please share! It's quick and easy and you just may touch a new patient who needs help!

DOES YOUR BUSINESS OFFER HEALTH INSURANCE TO ALL STAFF?

Many businesses can't offer insurance to their staff, but want to make sure they can still get adequate care. We are here to help. Consider posting a flyer in your breakroom on how TCHP may be able to help. Spreading the word that we are here to churches, businesses, clubs, social media and others is a wonderful way to donate your time!

DID YOU KNOW? : An average TCHP patient family of 3 nets only \$1,948 per month and works 2 part-time jobs.

Rockin' Out for Healthcare

We are continually humbled by the generosity of our sponsors, volunteers and donors. The Rockstar fundraiser was a huge success. Attendees "rocked out" and gave from the heart. We are still pushing forward with our \$204 sponsorship program. Visit our website if you would like to be a part of this!

THANK YOU VOLUNTEERS!

Carla Adams, OD	Joan Burke, RN	Steve Holtsford, MD	John Mason, DDS	Wendy Santucci

Welcome!

Welcome Mary Garcia, RDH! TCHP’s new Dental Program Manager

Tri City Health Partnership is very excited to introduce our new Dental Program Manager, Mary Garcia. Mary comes to us with a strong background in dental hygiene as well as a top-notch energy to expand the dental program.

After serving her country in the United States Navy, Mary decided to pursue a career in dental hygiene. She is a wife and mother of four. When not busy with kids’ sporting events, Mary volunteers at other organizations.

Mary believes the old adage: *“Do what you love, and you’ll never work a day in your life.”* Mary shares that, “Seeing people smile after dental care brings me pure happiness.”

A welcome event was held at Abby’s Breakfast and Lunch and attended by current and potential dental volunteers, board and staff. Thank you to Rob Mondri for donating all of the food and beverages!

The staff, board of directors and patients we serve, welcome Mary to TCHP. We are lucky to have her!

John Mason, DDS,
Dental Director and
Mary Garcia, RDH

The mission of Tri City Health Partnership is to provide quality healthcare, in an environment of mutual respect, to those members of the community without the ability to pay for services. We promote better life choices through education and preventive care to foster the growth of the whole individual.
